To Whom It May Concern,

Shield Bearer Counseling Centers has been on the front lines championing healthy relationships, strong marriages, healthy families, and strong communities since its charter in 2005. Shield Bearer promotes individual growth and development, preserves and enriches marriages, and strengthens and unites families. Most of all, Shield Bearer does not turn down anyone in need of counseling regardless of the ability to pay.

Because of this fact, we need your help. We are planning our annual 'Play It Forward' Casino Night on November 2, 2024, at the Towne Lake Lakehouse Ballroom. This annual event is our major fundraiser, and funds from the event go directly toward the operations of our organization. The need in our community for mental health support, counseling, and intervention is great and we ask you to help us in our endeavors.

First, consider sponsoring the event by choosing one of the levels on the attached list. Each level includes marketing aspects, but we ask you to consider the philanthropic gift as you review. Second, we need silent auction items, and bottles of wine and/or liquor. Together, we can make this event a success! Mark your calendars and purchase tickets to attend at ShieldBearer.org today! Attendance is limited and the event will be a signature success!

Thank you,

Thad Cardine

Executive Director
